

Raja Abdulhaq

Raja Abdulhaq supports terrorism and discourages peaceful dialogue between Israelis and Palestinian-Arabs.

- Abdulhaq blames the 9/11 terrorist attacks on Western powers rather than condemning al-Qaeda.¹
- He calls Hamas, an internationally recognized terrorist organization that violently abuses both Palestinian-Arab and Israeli civilians, a “movement” engaging in legitimate “resistance.”²
- He continuously expresses **support for Palestinian-Arab terrorism and disdain for peaceful dialogue**, stating “If you preach about popular resistance by calling it “non-violent” resistance in the international arena and indirectly condemn other forms of resistance, mainly armed, then you don’t represent Palestine.”³
 - “Don’t endorse anybody that claims to be speaking up against Israel, but demonizes Hamas/resistance.” - Abdulhaq via Facebook, July 22, 2015
 - Abdulhaq condemns any Muslim organization that engages in peaceful dialogue with the pro-Israel community as a being a “betrayal to your brothers [and] sisters in Palestine, Lebanon, Syria, Egypt and other countries.”⁴
- Referring to the war between Hamas and Israel in 2014, during which Israel defended its civilians against Hamas’ continuous rocket-fire, Abdulhaq tweeted “As we mourn martyrs, we celebrate their resistance & learn from their struggle in dying w/ dignity rather than living w/ humiliation #Gaza.”
 - “Martyrs” are those who kill themselves to murder civilians.
 - **The al-Qaeda terrorists responsible for 9/11 referred to themselves as “martyrs.”**
 - The Hamas charter calls for the **genocide of the Jewish people** and the destruction of the only Jewish state.
 - For example, the charter says:
 - “The Day of Judgment will not come about until Moslems **fight Jews and kill them.**” (Article 7)
 - “The **Nazism of the Jews** does not skip women and children, it scares everyone.” (Article 20)

Abdulhaq supports BDS, an anti-Palestinian movement that is also dedicated to the delegitimization of Israel and the prevention of cooperation between Israelis and Palestinian-Arabs.

- The BDS movement harms Palestinian-Arabs working in Israel by boycotting companies that employ them. **If BDS succeeds, roughly 100,000 Palestinian-Arabs will lose their jobs.**⁵
- BDS undermines peace efforts by encouraging Palestinian-Arab leaders to not associate or negotiate with Israeli peace partners.
- Freedom House ranked Israel as the *only* completely free country in the Middle East, yet BDS only targets Israel.⁶ **Why is BDS ignoring actual human rights abuses in the region and instead targeting the only Jewish state?**
