Neturei Karta

Neturei Karta is an offshoot sect of Ultra-Orthodox Judaism that publicly opposes Zionism and Jewish sovereignty in Israel. While it claims to represent “genuine Judaism,” it is a fringe minority that publicly sides with and has been funded by terrorists. The group also calls abortion a crime and claims that homosexuality leads to incest.

- **Neturei Karta received funding from terrorists.**
  - Neturei Karta received more than $50,000 from Palestinian-Arab leader Yasser Arafat in late 2002.1
    - This was during the height of Arafat’s killing spree called the “Second Intifada,” where terrorists under his command murdered hundreds of Jewish and Arab civilians. These terrorists blew themselves up on busses, in shopping malls, and at restaurants with the stated goal of killing women and children.

- **Neturei Karta sides with terrorist groups responsible for killing Americans, Israelis, and Palestinian-Arabs.**
  - Moshe Hirsch, one of Neturei Karta’s leading activists, served in Yasser Arafat’s cabinet as Minister for Jewish Affairs.2
    - Yasser Arafat founded the PLO in 1964 to encourage terrorism as the official means to achieve Palestinian-Arab statehood and eliminate “the Zionist entity.”3
      - According to the PLO Charter, the group aims for “the elimination of Zionism...Accordingly, the Arab nation must mobilize all its military.”4
    - Arafat’s PLO and its subgroups repeatedly bombed and murdered civilians. Some of the group’s atrocities include the murder of 11 Israeli Olympic athletes in Munich in 1972 and the assassination of America’s ambassador to Sudan in 1973.5
    - Arafat also started the Second Intifada, as mentioned above.6

- **Neturei Karta strongly supports Iran, which repeatedly calls for the annihilation of the United States and Israel and is the largest state sponsor of terror.**
  - In 2006, a leader of Neturei Karta traveled to Iran to meet then-President Mahmoud Ahmadinejad,7 a leader who publicly wanted to destroy America and Israel.
    - The U.S. State Department classifies Iran as the “most active state sponsor of terrorism.”8
      - Iran paid Taliban fighters $1,000 for each US soldier they killed in Afghanistan and provided weapons to the fighters.9
      - Iran funds Hezbollah, which is a US-designated terrorist organization that until 9-11 killed more Americans than any other Islamic terrorist group in the world.10 The following graph displays only a few of Hezbollah’s deadly attacks:

---

Iran executes more people per capita than any other country in the world\(^{11}\) for “crimes” including drinking, homosexuality, and political dissent.\(^{12}\)

- **Neturei Karta blasts homosexuality and abortion as “sins” punishable by death.**
  - According to the group’s official website, Neturei Karta claims homosexuality is a sin that causes incest and bestiality. It also causes G-d to punish America.\(^{13}\)
  - Neturei Karta claims abortion is a crime.
    - According to the same website, “The destruction of hundreds of thousands of babies yearly under the cover of ‘freedom of choice’ is a black mark which all Americans must carry.”\(^{14}\)

- **Neturei Karta does not represent the Jewish people, as it represents roughly 0.003 percent of Jews in America.**
  - American Neturei Karta members who publicly oppose Israel consist of fewer than 100 people.\(^{15}\)
  - One of the Chief Rabbis of Israel publicly denounced the group and outlawed it from the Jewish community in 2006 after one of its leaders met with the leader of Iran (the same Iranian leader who calls for the destruction of Jews).\(^{16}\) Nearly all Orthodox Jews oppose Neturei Karta.
